CHAPTER 1

INFORMATION FOR THE BIDDER

1. GENERAL PROVISIONS

BACKGROUND AND SCOPE: The Department of Vermont Health Access, Provider and Member Relations Unit (PMR) (hereinafter called DVHA), is seeking to establish a service agreement with one company that can provide Non-Emergency Medical Transportation (NEMT) services to eligible Vermont Medicaid beneficiaries in the northern half of Windsor County, VT. Specifically, eligible members who live in the following towns will be included:

- Barnard
- Bethel
- Bridgewater
- Hartford
- Hartland
- Norwich
- Rochester
- Royalton
- Sharon
- Stockbridge
- Woodstock

This region was formerly served by Stagecoach Transportation Services, Inc. In 2010, Stagecoach declined to renew their contract with the State of Vermont to provide NEMT services. Their entire service area was divided up and taken over by four different instate NEMT providers. A large portion of the former Stagecoach southern service territory (encompassing the area and those towns that are the subject of this RFP) is currently being served by Connecticut River Transit (The Current), based in Rockingham. The Current has informed DVHA that they are no longer interested in providing NEMT service in this area, and that they need to work with DVHA to transition those services to another Provider.

The goal of this RFP process is to designate a single Provider that will render cost effective and coordinated NEMT services to eligible Medicaid beneficiaries in the former Stagecoach service area in the northern portion of Windsor County, an area currently served by The Current. Through the issuance of this document, DVHA is to designate a preferred Provider who will offer a pricing structure for NEMT services that will result in savings to the State without compromising delivery of services or client access.

Policy and procedures regarding both the implementation and the day-to-day operations of the required NEMT brokerage to be operated in this region may be found in the DVHA NEMT manual, located at <http://dvha.vermont.gov/for-providers/>. The NEMT expenditures contained in the Manual should not be construed as an affirmation that these services will continue to be covered benefits of the Medicaid program. Changes are always subject to Legislative authorizations, changes in medical practice and technology.

1.6. FACSIMILE COMMUNICATION

You may use facsimile communication (FAX) for any communication required in this RFP - EXCEPT for your proposal and protest, if any. You may not send your proposal or protest by facsimile communication.

1.7. BID OPENING

The bid opening will be held on **July 8, 2014 at 1:00 pm** at 312 Hurricane Lane, Suite 201, Williston, VT 05495 and is open to the public. Typically, the State will open the bid, read the name and address of the bidder, and read the bid amount. Bid openings are open to members of the public. However no further information which pertains to the bid will be available at that time other than the bid amount, name and address of the bidder. The State reserves the right to limit the information disclosed at the bid opening to the name and address of the bidder when, in its sole discretion, it is determined that the nature, type, or size of the bid is such that the State cannot immediately (at the opening) establish that the bids are in compliance with the RFP. As such, there will be cases in which the bid amount will not be read at the bid opening. Bid results are a public record however, the bid results are exempt from disclosure to the public until the award has been made and the contract is executed with the apparently successful bidder.

1.8. PUBLIC RECORD

All bid proposals and submitted information connected to this RFP may be subject to disclosure under the State's access to public records law. The successful bidder's response will become part of the official contract file. Once the contract is finalized, material associated with its negotiation is a matter of public record except for those materials that are specifically exempted under the law. One such exemption is material that constitutes trade secret, proprietary, or confidential information. If the response includes material that is considered by the bidder to be proprietary and confidential under 1 V.S.A., Ch. 5 Sec. 317, the bidder shall clearly designate the material as such prior to bid submission. The bidder must identify each page or section of the response that it believes is proprietary and confidential and provide a written explanation relating to each marked portion to justify the denial of a public record request should the State receive such a request. The letter must address the proprietary or confidential nature of each marked section, provide the legal authority relied on, and explain the harm that would occur should the material be disclosed. Under no circumstances can the entire response or price information be marked confidential. Responses so marked may not be considered and will be returned to the bidder.

- 1.8.1.** All proposals shall become the property of the State.

- 1.8.2. All public records of DVHA may be disclosed, except that submitted bid documents shall not be released until the Contractor and DVHA have executed the contract. At that time, the unsuccessful bidders may request a copy of their own score sheets as well as request to view the apparently successful bidder's proposal at DVHA Central Office. The name of any Vendor submitting a response shall also be a matter of public record. Other persons or organizations may also make a request at that time or at a later date.
- 1.8.3. Consistent with state law, DVHA will not disclose submitted bid documents or RFP records until execution of the contract(s). At that time, upon receipt of a public records request, information about the competitive procurement may be subject to disclosure. DVHA will review the submitted bids and related materials and consider whether those portions specifically marked by a bidder as falling within one of the exceptions of 1 V.S.A., Ch. 5 Sec. 317 are legally exempt. If in DVHA's judgment pages or sections marked as proprietary or confidential are not proprietary or confidential, DVHA will contact the bidder to provide the bidder with an opportunity to prevent the disclosure of those marked portions of its bid.

1.9. CONFLICTS OF INTEREST

A conflict of interest is a set of facts or circumstances in which either a Vendor or anyone acting on its behalf in connection with this procurement has past, present, or currently planned personal, professional, or financial interests or obligations that, in AHS' determination, would actually or apparently conflict or interfere with the Vendor's contractual obligations to AHS. A conflict of interest would include circumstances in which a Vendor's personal, professional or financial interests or obligations may directly or indirectly:

- 1.9.1. Make it difficult or impossible to fulfill its contractual obligations to AHS in a manner that is consistent with the best interests of the State of Vermont;
- 1.9.2. Impair, diminish, or interfere with that Vendor's ability to render impartial or objective assistance or advice to AHS; or
- 1.9.3. Provide the Vendor with an unfair competitive advantage in future AHS procurements.

Neither the Vendor nor any other person or entity acting on its behalf, including but not limited to Subcontractors, employees, agents and representatives, may have a conflict of interest with respect to this procurement. Before submitting a proposal, a Vendor must certify that they do not have personal or business interests that present a conflict of interest with respect to the RFP and resulting contract. Additionally, if applicable, the Vendor must disclose all potential conflicts of interest. The Vendor must describe the measures it will take to ensure that there will be no actual conflict of interest and that its fairness, independence and objectivity will be maintained (see the Vendor Information and Disclosures form instructions in Template C). AHS will determine to what extent, if any, a potential conflict of interest can be mitigated and managed during the term of the contract. Failure to identify potential conflicts of interest may result in disqualification of a proposal or termination of the contract.

1.10. COSTS OF PROPOSAL PREPARATION

DVHA will not pay any bidder costs associated with preparing or presenting any proposal in response to this RFP.

1.11. RECEIPT OF INSUFFICIENT COMPETITIVE PROPOSALS

If DVHA receives one or fewer responsive proposals as a result of this RFP, DVHA reserves the right to select the proposal which best meets DVHA's needs. Furthermore, DVHA reserves the right to reject all

proposals. Such a decision may or may not result in reissuance of the RFP. Should a bidder be selected as a result of this RFP, that bidder need not be the sole bidder but will be required to document their ability to meet the requirements identified in this RFP. DVHA reserves the right to obtain clarification or additional information necessary to properly evaluate a proposal or any part thereof. Failure of a bidder to respond to a request for additional information or clarification could result in rejection of that bidder's proposal.

1.12. NON-RESPONSIVE PROPOSALS/WAIVER OF MINOR IRREGULARITIES

Read all instructions carefully. If you do not comply with any part of this RFP, DVHA may, at its sole option, reject your proposal as non-responsive. DVHA reserves the right to waive minor irregularities contained in any proposal.

1.13. RFP AMENDMENTS

DVHA reserves the right to amend this RFP. DVHA will post any RFP amendments to on the Electronic Bulletin Board (<http://www.vermontbidsystem.com>).

1.14. REJECTION RIGHTS

DVHA may, at any time and at its sole discretion and without penalty, reject any and all proposals in any 'catchment' area and issue no contract in that area as a result of this RFP. Furthermore a proposal may be rejected for one or more of the following reasons or for any other reason deemed to be in the best interest of the State:

1.14.1. The failure of the bidder to adhere to one or more provisions established in this RFP.

1.14.2. The failure of the bidder to submit required information in the format specified in this RFP.

1.14.3. The failure of the bidder to adhere to generally accepted ethical and professional principles during the RFP process.

Read all instructions carefully. If you do not comply with any part of this RFP, DVHA may, at its sole option, reject your proposal as non-responsive. DVHA reserves the right to waive any requirements contained in this RFP.

1.15. AUTHORITY TO BIND DVHA

The Commissioner and Deputy Commissioners of DVHA (in parent AHS Secretary or Deputy Secretary) are the only persons who may legally commit DVHA to any contract agreements.

2. PROPOSAL REVIEW

A review team of knowledgeable individuals will evaluate each proposal. The team members will represent both the service area and central office if appropriate. The review team shall review all proposals for compliance with RFP procedural instructions. If the procedural instructions are not followed, the proposal shall be considered non-responsive. Non-responsive proposals will be eliminated from further evaluation.

2.1. SCORING

For each program proposal, the four sections outlined in this section (Quality of Bidder Experience, Bidder's Capacity to Perform, Technical Proposal, Implementation Schedule, and Program Costs) must be responded to in your proposal. Proposals will be scored by individual team members. Scoring is intended to clarify strengths and weaknesses of proposals relative to one another and to provide guidance to decision-makers. Each category within the Criteria for Scoring is weighted proportionally; it is not a guarantee that the bidder providing the lowest cost estimate to the State will be selected as the Apparently Successful Bidder(s). The sum of the scores of the

members will become the proposal's final score. *(See criteria for scoring on the following pages.)*

3. CONTRACT DEVELOPMENT

3.1. CONTRACT TERM

Tentatively, the period of performance of the work to be performed as a result of this RFP is **9/1/2014 to 8/31/2015**. The DVHA has the option to continue to contract with the successful bidder pursuant to this RFP for up to two additional years.

3.2. CONTRACT STIPULATIONS

Exceptions shall be subject to review by the Office of the Attorney General.

Failure to note exceptions will be deemed to be acceptance of the Standard State Provision for Contracts and Grants as outlined in Attachment C, E and F of the RFP. If exceptions are not noted in the RFP but raised during contract negotiations, the State reserves the right to cancel the negotiation if deemed to be in the best interests of the State of Vermont.

DVHA reserves the right to incorporate standard contract provisions which can be mutually agreed upon into any contract negotiated as a result of any proposal submitted in response to this RFP. These provisions may include such things as the normal day-to-day relationships with the vendor, but may not substantially alter the requirements of this RFP. Furthermore, the successful vendor is to be aware that all material submitted in response to this RFP, as well as the RFP itself, may be incorporated as part of the final contract. The selected vendor will sign a contract with DVHA to provide the items named in their responses, at the prices listed. This contract will be subject to review throughout its term. DVHA will consider cancellation upon discovery that the selected vendor is in violation of any portion of the agreement, including an inability by the vendor to provide the products, support and/or service offered in their response. If two or more organizations' joint proposal is apparently successful, one organization must be designated as the Prime Bidder. The Prime Bidder will be DVHA's sole-point of contact and will bear sole responsibility for performance under any resulting agreement.

6. **Documenting and Reporting Breaches.**

6.1 Business Associate shall report to Covered Entity any Breach of Unsecured PHI, including Breaches reported to it by a Subcontractor, as soon as it (or any of its employees or agents) becomes aware of any such Breach, and in no case later than two (2) business days after it (or any of its employees or agents) becomes aware of the Breach, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security.

6.2 Business Associate shall provide Covered Entity with the names of the individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR § 164.404(c), and, if requested by Covered Entity, information necessary for Covered Entity to investigate the impermissible use or disclosure. Business Associate shall continue to provide to Covered Entity information concerning the Breach as it becomes available to it. Business Associate shall require its Subcontractor(s) to agree to these same terms and conditions.

6.3 When Business Associate determines that an impermissible acquisition, use or disclosure of PHI by a member of its workforce is not a Breach, as that term is defined in 45 CFR § 164.402, and therefore does not necessitate notice to the impacted individual(s), it shall document its assessment of risk, conducted as set forth in 45 CFR § 402(2). When requested by Covered Entity, Business Associate shall make its risk assessments available to Covered Entity. It shall also provide Covered Entity with 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low probability that the PHI had been compromised. When a breach is the responsibility of a member of its Subcontractor's workforce, Business Associate shall either 1) conduct its own risk assessment and draft a summary of the event and assessment or 2) require its Subcontractor to conduct the assessment and draft a summary of the event. In either case, Business Associate shall make

these assessments and reports available to Covered Entity.

6.4 Business Associate shall require, by contract, a Subcontractor to report to Business Associate and Covered Entity any Breach of which the Subcontractor becomes aware, no later than two (2) business days after becomes aware of the Breach.

Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by Covered Entity, Business Associate shall make its mitigation and corrective action plans available to Covered Entity. Business Associate shall require a Subcontractor to agree to these same terms and conditions.

8. Providing Notice of Breaches.

8.1 If Covered Entity determines that an impermissible acquisition, access, use or disclosure of PHI for which one of Business Associate's employees or agents was responsible constitutes a Breach as defined in 45 CFR § 164.402, and if requested by Covered Entity, Business Associate shall provide notice to the individual(s) whose PHI has been the subject of the Breach. When requested to provide notice, Business Associate shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate.

8.2 If Covered Entity or Business Associate determines that an impermissible acquisition, access, use or disclosure of PHI by a Subcontractor of Business Associate constitutes a Breach as defined in 45 CFR § 164.402, and if requested by Covered Entity or Business Associate, Subcontractor shall provide notice to the individual(s) whose PHI has been the subject of the Breach. When Covered Entity requests that Business Associate or its Subcontractor provide notice, Business Associate shall either 1) consult with Covered Entity about the specifics of the notice as set forth in section 8.1, above, or 2) require, by contract, its Subcontractor to consult with Covered Entity about the specifics of the notice as set forth in section 8.1

8.4 The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of what happened, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate is doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.5 Business Associate shall notify individuals of Breaches as specified in 45 CFR § 164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of Vermont, Business Associate shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. Agreements with Subcontractors. Business Associate shall enter into a Business Associate Agreement

with any Subcontractor to whom it provides PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity in which the Subcontractor agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI. Business Associate must enter into this Business Associate Agreement before any use by or disclosure of PHI to such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of PHI. Business Associate shall provide a copy of the Business Associate Agreement it enters into with a subcontractor to Covered Entity upon request. Business associate may not make any disclosure of PHI to any Subcontractor without prior written consent of Covered Entity.

Business Associate shall provide such access in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for access to PHI that Business Associate directly receives from an Individual.

11. Amendment of PHI. Business Associate shall make any amendments to PHI in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an Individual. Business Associate shall make such amendments in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for amendment to PHI that Business Associate directly receives from an Individual.

12. Accounting of Disclosures. Business Associate shall document disclosures of PHI and all information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528. Business Associate shall provide such information to Covered Entity or as directed by Covered Entity to an Individual, to permit Covered Entity to respond to an accounting request. Business Associate shall provide such information in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any accounting request that Business Associate directly receives from an Individual.

13. Books and Records. Subject to the attorney-client and other applicable legal privileges, Business Associate shall make its internal practices, books, and records (including policies and procedures and PHI) relating to the use and disclosure of PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity available to the Secretary in the time and manner designated by the Secretary. Business Associate shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether Business Associate is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 18.7.

14.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate the contract or grant without liability or penalty if Business Associate does not cure the breach within the time

specified by Covered Entity; or (b) immediately terminate the contract or grant without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. Covered Entity has the right to seek to cure any breach by Business Associate and this right, regardless of whether Covered Entity cures such breach, does not lessen any right or remedy available to Covered Entity at law, in equity, or under the contract or grant, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

15. Return/Destruction of PHI.

15.1 Business Associate in connection with the expiration or termination of the contract or grant shall return or destroy, at the discretion of the Covered Entity, all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this contract or grant that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of the PHI. Business Associate shall certify in writing for Covered Entity (1) when all PHI has been returned or destroyed and (2) that Business Associate does not continue to maintain any PHI. Business Associate is to provide this certification during this thirty (30) day period.

15.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI. This shall also apply to all Agents and Subcontractors of Business Associate.

16. Penalties and Training. Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in training regarding the use, confidentiality, and security of PHI.

17. Security Rule Obligations. The following provisions of this section apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.

17.2 Business Associate shall ensure that any Agent and Subcontractor to whom it provides Electronic PHI agrees in a written agreement to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written agreement before any use or disclosure of Electronic PHI by such Agent or Subcontractor. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the written agreement to

Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any Agent or Subcontractor without the prior written consent of Covered Entity.

17.3 Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an Agent or Subcontractor). Business Associate shall provide this written report as soon as it becomes aware of any such Security Incident, and in no case later than two (2) business days after it becomes aware of the incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.

17.4 Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the contract/grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the contract/grant continue in effect.

18.2 Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.

18.3 Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule, and the HIPAA omnibus final rule) in construing the meaning and effect of this Agreement.

18.5 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.

18.6 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity even if some of that information relates to specific services for which Business Associate may not be a "Business Associate" of Covered Entity under the Privacy Rule.

18.7 Business Associate is prohibited from directly or indirectly receiving any remuneration in exchange for an individual's PHI. Business Associate will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing the PHI may not be sold without Agency's or the affected individual's written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 14.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set forth in Section 11 survives

the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

CHAPTER 3

TECHNICAL PROPOSAL/PROGRAM SPECIFICATIONS

1. ATTACHMENT A: SPECIFICATION OF WORK TO BE PERFORMED

1.1. TECHNICAL PROPOSAL

This section describes the format of the bidder's response to key points in the program specifications detailed in Attachment A.

Total points for this section: 15

(See Proposal Review and criteria for scoring chart, Section II-1 for additional detail.)

1. PROGRAM SUMMARY

Per Federal Rule 42 CFR 440.170(a), "Transportation includes expenses for transportation and other related travel expenses determined to be necessary by the agency to secure medical examinations and treatments for a recipient."

Medicaid is an assistance program enacted to provide health care services to individuals who are low-income, aged, blind or disabled and families with children. Started in 1965, it is funded with federal and state monies and administered by each state. Non-Emergency Medical Transportation (NEMT) is a covered service for members enrolled in traditional and Primary Care Plus (PC Plus) Medicaid and Dr. Dynasaur programs. NEMT is a statewide service for providing transports for eligible people to and from necessary, non-emergency medical services. It is provided through Personal Services Contracts between the State of Vermont, Department of Vermont Health Access (DVHA) and local public transit Brokers (Brokers). This network of transportation Brokers provides statewide access to transportation services for eligible members. Brokers screen for eligibility, schedule the least-costly mode of transportation to medical appointments/services, and submit claims to Hewlett-Packard Enterprise Services (HPES) for processing.

DVHA oversees and monitors NEMT, issuing policies and procedures to coincide with changing circumstances and federal and state directives. DVHA is also responsible for approving various trips and exceptions, including authorizing trips outside of a 30 mile radius from a member's home and out-of-state trips.

Specific program guidelines and requirements can be found in the Vermont Medicaid Provider Manual, which can be found at www.vtmedicaid.com/Downloads/manuals.html.

Brokers are subject to service approval, along with claims processing and utilization review. They are also required to abide by the terms of their personal services contracts with the DVHA, the Provider Enrollment Agreement, and the latest approved version of this manual. Brokers must also abide by all aspects of the Federal Tax Code.

2. PROGRAM GOALS

In support of the Agency of Human Services and the DVHA mission, the PMR goal is to assure that access to medical services is safe, efficient, and available to eligible beneficiaries who have no available means of getting to medical appointments. The procurement objective is to identify and eventually contract with an in-state provider who can ensure that this PMR goal is met. DVHA

improves its fiscal accountability by using credible providers who strive to conform to set policies and guidelines, thus promoting appropriate access to medical care, and advancing the health and wellbeing of members statewide.

3. OUTCOMES EXPECTED FROM CONTRACTOR'S PERFORMANCE:

It is expected that the contractor awarded this RFP will fully comply with all performance expectations and guidelines as set forth in both the NEMT manual and the current NEMT contract as signed and activated through the normal process. Those guidelines, in sum:

- Provide transportation whenever a trip request is received with at least two business days' advance notice 95% of the time
- Provide professional and courteous customer service to all members at all times.
- Calls will be answered by a live person within 3 minutes 95% of the time.
- Call abandonment rate shall be less than 5%. A call will be considered "abandoned" when a member hangs up before speaking with a live operator.
- Members will arrive on time for their appointments. 95% of the time
- Broker will pick up member within the timeline of the "on time pick up window" as defined in the nemt manual. This also applies to return trips. 95% of the time
- All provisions of the transportation manual and contract shall be met. 95% of the time

4. RESPONSIBILITIES OF CONTRACTOR

1. The contractor will collaborate with the state to arrange for and secure Non-emergency Medical Transportation (NEMT) in the 11 town area as outlined on page 4 for eligible Vermont Medicaid beneficiaries who do not have transportation as defined in the State's Medicaid Non-emergency Medical Transportation procedure manual (NEMT manual), found at <http://dvha.vermont.gov/for-providers/transportation>. The contractor will follow the terms of the NEMT manual and:
2. Provide the most cost effective appropriate means of transportation available that meet the beneficiary's medical needs.
3. Establish and maintain a network of transportation providers including: volunteer drivers, transit/para-transit vans and taxi companies (where available).
4. Provide transportation at no cost to the Medicaid beneficiary.
5. The contractor is strictly prohibited from imposing additional transportation charges on Medicaid beneficiaries for trips billed to Medicaid.
6. Subcontracted transportation carriers shall not impose any additional charges on beneficiaries.

7. Provide the staff and resources needed to handle transportation request phone calls from state members during regular business hours (at least eight hours per week day).
8. Prior to contract commencement, the winning contractor must be enrolled as a Vermont Medicaid provider.

5. RECORD KEEPING

All records must be kept for ten (10) years, per Federal HIPAA Guidelines.

6. REPORTS

Monthly status reports are required. These reports will reflect the Contractor's performance regard to the monthly quality control measures. A template for these reports is provided to the Contractor by DVHA transportation staff.

VII. RATE SPECIFICATIONS

DVHA will pay the Contractor on a Per Member, Per Month (PMPM) basis. In addition to the PMPM payment, the Contractor will be allowed to bill Medicaid for any complete trip that costs more than \$500 (round trip, including lodging and other expenses). These trips will be billed as claims to Medicaid in accordance with our Provider Manual and billing instructions.

The State developed this PMPM payment model in order to provide an incentive to the Contractor for efficient and cost-effective performance. Our PMPM dollar amount was developed by analyzing utilization and performance data from previous years. Because these prior-year conditions may change, the State agrees to negotiate in good faith to modify this contract whenever:

1. The Contractor can demonstrate that a change in utilization or other conditions will have a financial impact of more than \$3,000 AND one of the following statements (2 through 5 below) is also true.
2. The Contractor experiences a change in the number and/or cost of rides delivered per member, per month.
3. Fuel prices change by more than 15%. Fuel prices will be based on U.S. Energy Information Administration data for New England (Area PADD 1A). At the time of this writing (the week of 5/5/14), the Gasoline-All Grades price is \$3.744/gallon and the Diesel (On-Highway)-All Types price is \$4.15/gallon.
4. There is an increase in the IRS mileage rate for personal vehicles.
5. There is any other increase in costs that are clearly out of the direct control of the Contractor.

Under no circumstances will the State negotiate a higher PMPM due to deficiencies in the Contractor's performance.

2. ATTACHMENT B PROGRAM COSTS/PAYMENT PROVISIONS

** Work specification details will be provided in this section by the program manager.*

2.1. PROGRAM COSTS

In this section, describe the bidder's proposed costs and rates for this program by submitting the completed budget form (Schedule A) which can be found in Appendix B.

Proposals will be evaluated on total costs, administrative versus direct service costs and the narrative describing your company's experience fiscally managing contracts of comparable scale, scope and complexity.

Total points for this section: 35

(See Proposal Review and the criteria for scoring chart, Section II-1 for additional detail.)

2.2. CONTRACT VALUE/QUANTITY

The annual value and quantities are estimated only based on prior usage and may be increased or decreased to meet actual requirements. Contract issuance is contingent upon funding availability. The maximum dollar amount payable under this contract is not intended to guarantee any amount of payment. The Contractor will be paid at the billable rates for services actually performed, up to the maximum allowable amount.

2.3. PAYMENT METHODOLOGY

In order to help DVHA track utilization, the winning bidder will submit claims to Medicaid for all direct transportation services provided to our members. These claims will be "paid" by our claims adjudication system with a zero dollar amount. The data submitted in these claims will be used to generate the weekly payment described below.

In order to make timely payments to the winning bidder, the State will make the PMPM payments in weekly installments. These weekly payments will be based on a Per Member, Per Week (PMPW) basis. The following formula will be used to convert the PMPM to a PMPW for the purpose of making weekly payments to the Contractor: $(\text{PMPM} \times 12) / 52$

The weekly payments will be calculated using the following method:

1. Each week, Hewlett-Packard Enterprise Services (hereinafter referred to as HPES) will generate a report of the total number of unduplicated individuals served by the Contractor over the prior 395 days. The count will ignore the past 30 day period.
2. Using system edits, HPES will remove from that total number the individuals who have either lost their insurance or have passed away during that time period.
3. HPES will multiply the number of unique recipients by the PMPW dollar amount and make the payment during the following week's electronic payment to the Contractor's bank account.
4. HPES will send weekly Remittance Advice documents to the Contractor.

In the event that the weekly payment cannot happen due to data or processing errors, HPES will send the payment in the following week. DVHA agrees that these payments will be made on a weekly basis, but it will not be considered a breach of this contract if HPES is forced to postpone a payment for one week due to a data or processing error.
